Foodland's Shop for Higher Education Begins Wednesday, February 6, 2019.
Help Kamehameha Schools Kapālama Earn Points Towards Scholarships!

FOODLAND'S SHOP FOR HIGHER EDUCATION

Foodland will award 100, $2,000 scholarships and $15,000 in Project Grad funds to schools earning the most points!

Program runs February 6 - March 19, 2019

HOW YOU CAN HELP:

STEP 1 - Designate Our School!
From February 6 to March 19, show your Maika'i Card to any Foodland or Sack N Save cashier at checkout and give them our school code (see card to the right).

STEP 2 - Just Shop!
Every time you shop, you'll earn points for our school. For every Maika'i point you earn, our school will earn matching points.

STEP 3 - Earn Points Faster!
Purchase products with the 2X, 3X or 5X points shelf tags and you'll earn bonus points for our school.

STEP 4 - Tell Everyone!
Ask friends and family to designate our school. The more points our school earns, the more scholarships and Project Grad funds we can receive.
