Parent Leadership Team

The 2022 Parent Leadership Team (PLT) includes the advisor, class parents and ATP reps. While we are just beginning the search for class parents, we would like to introduce you to the class advisor and ATP reps.

Rachelle Saffery (KS '94) is the advisor for the Class of 2022 and will remain with the class until they graduate. She previously served as the class advisor for the Classes of 2014 and 2018. Rachelle also teaches human anatomy & physiology, an upper level elective science course. She can be reached at rasaffer@ksbe.edu.

Ka'ula Atisano 'e-Santos is one of the ATP reps for the Class of 2022. She has served as an ATP rep for the Class of 2022 for the last three years.

Amalie Monlux is one of the ATP reps for the Class of 2022. She previously served as ATP rep for the Class of 2022 when they were in the 7th grade.

Jo'el Williams is one of the ATP reps for the Class of 2022. This is her first year serving as ATP rep for the Class of 2022.

Volunteers

We will be looking for volunteers to assist with various class *and* school events throughout the school year. A link to the online sign-up form will be emailed and posted to the KS Daily Bulletin next week. Sign-ups will be done on a first-come, first-served basis.

MOST of the events will require that you be CLEARED to volunteer to work alongside our haumāna and other mākuā. Please be sure to complete *and* submit your volunteer paperwork ASAP! Volunteer paperwork can be downloaded at: <https://apps.ksbe.edu/par/volunteering/>.

Class Parent

In addition to needing volunteers for events, we will also be looking for class parents to assist with securing volunteers and organizing our chaperones at events. This time around, we are hoping to try something different. We are looking for TWO (2) parents to serve as class parents, and we will rotate parents out each year. This will allow for more parents to take part and serve. If you are interested in applying for a class parent position, please complete the application that was included in your folders on Monday, August 6. A digital copy of the application can be downloaded at: <http://bit.ly/2022ClassParentApp>. **Applications are due by 3:30pm Friday, August 24** (see application for submission options).
